

AUTOMOBILE ENGINEERING DEPARTMENT GOVERNMENT POLYTECHNIC, AHMEDABAD

WEBINER ON PRODUCT DESIGN

Name of Department/Organizer	Automobile Engineering Department
Date:	25 TH July 2020
Venue/ Platform:	Automobile Engineering department, GP, Ahmedabad (Online)
No. of Participants:	All semester students with Automobile Engineering Department faculties

❖ Objective of the Event-

The objective of product design is to create a good or service with excellent functional utility and sales appeal at an acceptable cost and within a reasonable time. The product should be produced using high-quality, low-cost materials and methods. These points are used to design any automobile products. The goal of this webinar is to educate and deliver information about product designing interest of students.

❖ Outcome of the Event –

Mr. Jatin Patel, Director of the Khodiyar Cad Center has taken the Product Design's webinar. Students get to know about Product Designing soft wares and there utilization and their importance in automobile product designing and in automobile manufacturing field also.
