The Indian Institute of Skills Ahmedabad, established by Tata IIS (a Section 8 company set up by the Tata Group) in collaboration with the Ministry of Skill Development & Entrepreneurship and the Government of Gujarat, aims to empower India's youth. Located on a 20-acre campus in Nasmed village, it features state-of-the-art infrastructure designed for job-oriented learning. With advanced labs and classrooms, IIS Ahmedabad is dedicated to equipping youth with the essential skills needed for professional success.

At Tata Skills, students explored various advanced robotic instruments used in modern medical and industrial applications. The visit enhanced their understanding of automation and robotics in healthcare
