The CSRBOX in collaboration with IBM SkillsBuild brings, the 1hr **IBM SkillsBuild Job Readinessworkshop** where students of **Govt. Polytechnic College, Ahmedabad** will get an opportunity to learn about resume writing and career development skills. The workshop will also offer an opportunity for practical exposure to learning through an interactive learning environment, and professional guidance from industry experts for **free of cost**.

Throughout the workshop, students will learn about the skills required to get a desirable job through a master class and self-paced learning activities.

After the successful completion of the workshop, students are received a participation certificate along with various placement assistance.
